hear **FOR THE HOLIDAYS**

**Help loved ones with
hearing loss stay engaged**

While a hearing impairment is always a challenge, **the holidays can churn up even more stress and emotion.** It's a busy time, and even though activities are centered around celebration, someone with hearing loss often feels like they aren't really a part of it all.

But there are many things we can do to **help our loved ones with hearing loss engage meaningfully in the festivities.**
